

Snow Removal 2007/2008

Please be at the building by 7:30 a.m. on the day you are scheduled to remove snow from the sidewalks of Southside. If the weather is particularly bad, please arrive earlier.

The walks needing to be cleared are those around the church building and the city walks along 3200 west and 7000 south.

Snow blowers and fuel can be found in the Multipurpose Room. It would be a good idea to bring along a snow shovel if you have one.

If you are unavailable to remove snow on your scheduled date, please make arrangements with someone else.
